IAN  
SEPTEMBER 17, 2016

REAL WEDDING  
*Calgary*

"For us, it was all about the surrounding landscape we were in, and highlighting the beautiful autumn colours. We are both originally from British Columbia, but met in Alberta, where we fell in love with each other and the gorgeous Alberta skies, mountains and everything in between. We wanted to celebrate in the prairie countryside with an outdoor wedding, complete with lots of lawn games for our guests in the surrounding venue."
